3 Mecánicos (h/m/d)

para la industria aeronáutica en la ciudad de Arnstadt en Alemania.

¿Has pensado alguna vez en vivir y trabajar en el extranjero?

Randstad Alemania te ofrece un puesto de trabajo bien remunerado y sostenible como mecánico (aeronáutico) en nuestro renombrado cliente en la industria aeronáutica en la ciudad de Arnstadt. Esta ciudad está situada más o menos en el centro de Alemania. Si tienes una formación profesional completa que no sea mecánico aeronáutico y estás interesado en la industria aeronáutica, te invitamos a presentar tu candidatura.

El contrato de trabajo es de duración indefinida y, por supuesto, te ayudaremos a empezar en Alemania: alojamiento, un curso de idioma, apoyo con cuestiones burocráticas, todo está arreglado.

Pónte en contacto con nosotros, merece la pena!

El siguiente texto está en inglés, ya que el trabajo requiere que tengas un buen nivel de inglés (o de alemán).

Who is Randstad Germany?

Randstad is the global leader in the Human Resources services industry. We find jobs for job seekers, and we find employees for companies. So we match the right people to the right job – whether that job is temporary or permanent

Currently we are looking for 3 mechanics for our renowned client in the aircraft industry. We offer an attractive opportunity to be part of this truly international and interesting work environment.

Who is our client in the aircraft industry?

Our client is a renowned and the world's most advanced maintenance company for the repair, overhaul and testing of (Rolls-Royce Trent) aircraft engines. The company serves clients in Europe, America, Africa, Asia and the CIS countries. Based in Arnstadt, which is more or less centrally located in Germany, the company employs more than 1000 employees, who look after the engines of about 50 international airlines. Company values: trust, responsibility, transparency
